

## Our Mission

At Believe in Me Empowerment Corporation (BIMEC), we fill service gaps and reduce the negative barrier and adverse effects associated with the residuals of incarceration. We improve and empower the lives of marginalized individuals and families through direct and indirect programming to provide housing, life skills, and counseling services. Our agency provides hope and opportunities through services that support our client base in order that they may reach their full potential and become productive citizens.

## Helping Our Clients Find New Beginnings

Our clients' powerful testimonials show how we provide 'good support' for our clients in their recovery, a 'roof over [their] head' to prevent homelessness, and 'all the tools needed' to re-enter society.

### BIMEC In The Community

Through working with local corporations and our community partners, we've been able to bring the possibility of new affordable housing units and fundraising opportunities.
